Vista, CA—

Vista Irrigation District invites local high school seniors to compete for scholarships from the district. Up to six scholarships may be awarded in amounts ranging from \$1,000 to \$3,000. The purpose of the scholarship program is to encourage students to learn more about how water related issues influence our daily lives.

Students who compete for a scholarship must complete an essay and provide a personal statement related to their background and/or goals. Selection criteria also includes community involvement or volunteer service and letters of recommendation from high school faculty.

Students may download an application package from [www.vidwater.org](http://www.vidwater.org), or contact Brent Reyes at (760) 597-3107 or by email at [scholarships@vidwater.org](mailto:scholarships@vidwater.org) to have the materials sent to them. Applications are also available through high school counseling offices. Applications must be received via e-mail or at the district office by 4:00 PM on Friday, February 23, 2024.
