SUBJECT: VID SCHOLARSHIP CONTEST

RECOMMENDATION: Review application materials and select the winner of VID's scholarship contest.

PRIOR BOARD ACTION: At its January 6, 2010 meeting, the Board decided to continue the District's scholarship contest without the California Special Districts Association's (CSDA) participation.

FISCAL IMPACT: \$3,000 for the scholarship program is included in the budget.

SUMMARY: For sixteen years, the District had participated in the scholarship contest sponsored by CSDA. After many successful years of the scholarship program, CSDA decided "to embark on a new and expanded educational opportunity to reach a greater number of students in our local schools." To this end, CSDA has replaced the scholarship program with a new educational grant program to facilitate teachers to add curriculum geared toward increasing students' knowledge and awareness of special districts and their role in local government.

In January 2010, the Board decided to continue running the District's scholarship contest without CSDA participation. While a majority of the requirements remained the same as the CSDA scholarship contest, the essay topic was changed to focus on issues impacting San Diego County water supplies. In 2011, the essay question was changed to encourage more creative writing, and the requirement to cite information sources was eliminated.

The winning scholarship award is \$1,500, and the balance (\$1,500) is available to award to a runner-up (or runners-up) at the Committee's discretion. Last year, the Committee recommended and the Board awarded a \$1,500 scholarship to the contest winner and three \$500 scholarships to the runners-up.

DETAILED REPORT: In November 2013, application packets for VID's scholarship contest were provided to counselors of high schools within the District's jurisdictional boundaries. Follow-up calls were made to the counselors to make sure the application materials were received and inquire as to students' interest in the program. Additional scholarship promotional efforts included: placing information about the scholarship in Rancho Buena Vista High School's monthly scholarship bulletin; recording a segment on the scholarship program for Vista High School's daily video bulletin; issuing a news release; and announcing the program on our on-hold telephone message and web site. Application materials were also made available on the District's web site. VID received eight applications by the February 28, 2014 deadline.

Public Affairs Committee members Franklin and Vásquez are the competition judges for the contest. The Committee's recommendation for the winner, and potentially runners-up, will be submitted to the Board for their consideration at the April 2, 2014 Board meeting. A certificate will be presented to the winner (and runners-up) at the April 16, 2014 Board meeting. Once the student has enrolled at a university, District staff will forward a check in the amount of the scholarship award to the school on behalf of the student.
