The District will accept written protests prior to and up until the conclusion of the public hearing. Written protests to the proposed rate increase may be submitted to the Secretary of the District's Board of Directors by mail to 1391 Engineer Street, Vista, CA 92081, or by personal delivery to the District, at the same address, prior to the conclusion of the public hearing. Each protest must identify the affected property (by assessor's parcel number, customer account number or street address) and include the signature of the property owner of record or the tenant; protests by e-mail or fax will not be accepted. Oral comments at the public hearing will not qualify as a formal protest though the Board of Directors will consider all public comments submitted during the public hearing. If written protests to the proposed water rates and service charges are presented by a majority of property owners or tenants within the District's service area prior to the close of the public hearing, the proposed water rates and service charges will not be approved. All interested parties are invited to observe and participate in this public hearing to express opinions and/or present</p>

**NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that Vista Irrigation District (District) will hold a public hearing in its Boardroom located at 1391 Engineer Street, Vista, California, on Wednesday, November 19, 2025, at 9:00 a.m., or as soon thereafter as the matter may be heard, to consider all written protests and hear oral comments on the proposed adjustments to water rates and service charges, including fire connection services and locked meters for calendar years 2026 through 2030 and the pass through of all San Diego County Water Authority wholesale water rates and charges for calendar years 2026 through 2030 pursuant to Government Code section 53756. The District will accept written protests prior to and up until the conclusion of the public hearing.

Written protests to the proposed rate increase may be submitted to the Secretary of the District's Board of Directors by mail to 1391 Engineer Street, Vista, CA 92081, or by personal delivery to the District, at the same address, prior to the conclusion of the public hearing. Each protest must identify the affected property (by assessor's parcel number, customer account number or street address) and include the signature of the property owner of record or the tenant; protests by e-mail or fax will not be accepted. Oral comments at the public hearing will not qualify as a formal protest though the Board of Directors will consider all public comments submitted during the public hearing. If written protests to the proposed water rates and service charges are presented by a majority of property owners or tenants within the District's service area prior to the close of the public hearing, the proposed water rates and service charges will not be approved. All interested parties are invited to observe and participate in this public hearing to express opinions and/or present evidence relative to this matter.

If you need assistance in determining how the proposed changes in water rates and service charges impact your water bill(s) or have questions regarding this notice, please contact the District's Customer Service Department at (760) 597-3120 during regular office hours, Monday through Friday. You can find additional information, such as the Water Rate Study, videos, Frequently Asked Questions and a water bill calculator on the District's web site at (<https://www.vldwater.org/2025-water-rate-study>).

Members of the public may attend this hearing in person or may observe and participate in the hearing through Vista Irrigation District's teleconferencing line; the phone number and applicable pass code for such participation is as follows: Phone (877) 873-8018; Pass Code 474698#. Telephone participants who are interested in observing and/or participating in the public hearing are requested to place calls to the number listed above at or before 8:50 a.m. on November 19, 2025, so that District staff can organize the number and order of speakers and assure the ability of all who wish to participate.
