SUBJECT: DEODAR RESERVOIR REHABILITATION

RECOMMENDATION: Accept the Deodar Reservoir Rehabilitation project and direct staff to file a Notice of Completion with the County Recorder's Office (D-2366, DIV NO 5).

PRIOR BOARD ACTION: On January 17, 2024, the Board authorized the General Manager to enter into a construction contract for the Deodar Reservoir Rehabilitation project with Pacific Hydrotech Corporation (PHC) in the amount of \$3,483,076.

FISCAL IMPACT: The final contract amount with PHC totaled \$3,340,132.43 (\$142,943.57 below the original approved contract amount). PHC will receive a final payment of \$167,006.62 for the five percent retention that was withheld during the project 35 days after the Notice of Completion is recorded with the County of San Diego.

SUMMARY: PHC has completed all the rehabilitation improvements for the Deodar Reservoir; the project is ready for acceptance by the Board, allowing a Notice of Completion to be recorded by the County of San Diego and final payment to be released thereafter.

DETAILED REPORT: Deodar Reservoir is a 1.3-million-gallon, prestressed concrete tank located approximately 900 feet west of Deodar Road near Interstate 15 and State Route 78. Constructed in 1978, Deodar Reservoir provides storage for the "Bennett" service area in the cities of Escondido and San Marcos. Rehabilitation efforts included widening the perimeter access road, installing site drainage channels, curb and gutter, access road paving, security fencing and gates, aluminum dome roof including stairs and handrails, replacing the interior overflow pipe and water level gauge and landscaping and irrigation.

The final construction cost was \$3,340,132.43; the project included the following change orders resulting in an overall credit of \$142,943.57 back to the District:

- Additional tree removal (+\$6,042.10)
- Metal flashing removal (+\$5,467.10)
- Painting pump station retaining wall to match tank (+\$2,718.99)
- Replacing corroded pump station fence posts (+\$5,750.00)
- Credit for eliminating weep holes in the retaining wall (-\$1,573.10)
- Credit for changing concrete curb to asphalt concrete curb (-\$11,382.80)
- Credit for eliminating fence privacy slats (-\$5,800.00)

SUBJECT: ANNUAL PAVING SERVICES

RECOMMENDATION: Authorize the General Manager to renew the agreement with Frank & Son Paving, Inc. to provide paving services for Fiscal Year 2027 in an amount not to exceed \$600,000.

PRIOR BOARD ACTION: At its June 18, 2025 meeting, the Board authorized the General Manager to enter into an agreement with Frank & Son Paving, Inc. to provide paving services for District jobs for Fiscal Year (FY) 2026 in an amount not to exceed \$600,000.

FISCAL IMPACT: This agreement is proposed for an amount not to exceed \$600,000. Actual costs for annual agreements in FYs 2024 and 2025 were \$567,469 and \$477,041, respectively; thus far, approximately \$482,046 has been expended in the first nine months of FY 2026.

SUMMARY: During FY 2026, Frank & Son Paving, Inc. successfully performed pavement restoration services on District jobs. The current agreement with Frank & Son Paving, Inc. allows the District to extend the contract through FY 2027 (July 1, 2026 through June 30, 2027). The cost of service remains the same from FY 2026.

DETAILED REPORT: Annually, the District generates approximately 20,000 square feet of patch paving and requires pavement restoration services for over two miles of trench line to support the mainline replacement program. In May 2025, the District advertised and solicited bids from licensed contractors to perform pavement restoration services for patch paving and mainline replacement projects. Based on the results of the bidding process, the District entered into an agreement with Frank & Son Paving, Inc. for FY 2026 with the option to renew the agreement for two additional one-year periods.

As Frank & Son Paving, Inc. has provided reliable service to the District during FY 2026, staff recommends exercising the District's first option to renew the agreement for a one-year period for FY 2027 in an amount not to exceed \$600,000. Frank & Son Paving, Inc. fees (attachment) remain the same for FY 2027.

The Vista Irrigation District boundary includes the City of Vista, and portions of the cities of San Marcos, Escondido, Oceanside, and unincorporated areas of San Diego County. The contractor will be expected to comply with all paving standards as established under the appropriate governing agency's requirements.

7. LAKE HENSHAW OXYGENATION PILOT STUDY

See staff report attached hereto.

Director of Water Resources Lesley Dobalian stated the Oxygenation Pilot Study (Pilot Study) is intended to be a long-term measure to mitigate and manage Harmful Algal Blooms (HABs) in Lake Henshaw. She provided an overview of the challenges encountered with the implementation of the initial design and delivery system that used supersaturated dissolved oxygen technology which relied on submerged pumps and liquid oxygen. Ms. Dobalian stated alternative delivery systems were evaluated, and nanobubble technology was determined to be most feasible to implement and better suited for the Pilot Study.

Ms. Dobalian explained Moleaer, Inc. (Moleaer) has patented nanobubble technology that concentrates oxygen in the air by removing nitrogen and delivers it as nanobubbles to increase oxygen in the water column and at the sediment-water interface. She stated three barges would be needed to deliver oxygen required for the Pilot Study. Ms. Dobalian reviewed the estimated costs for the Pilot Study in Fiscal Years (FYs) 2026, 2027 and 2028.

DRAFT MINUTES

Not part of the District's permanent record until approved by the Board of Directors.

Ms. Dobalian stated that the preliminary environmental assessment concluded that there would be no direct or foreseeable indirect significant impacts on the environment from the Pilot Study.

Ms. Dobalian introduced Chris Stephan of Moleaer to address the Board's questions. Mr. Stephan provided clarification regarding the contents of each barge container. He stated Moleaer's agreement includes project management services and that Moleaer would take a lead role in coordinating system-related activities. Mr. Stephan confirmed that Moleaer has evaluated the site where the system will be launched and provided the Board with step-by-step details of the delivery and installation process.

In response to Director Sanchez's question regarding other locations where Moleaer's system is being utilized, Ms. Dobalian said that it is currently being used at Lake Elsinore. Mr. Stephan said that GEI Consultants, Inc. completed a one-year report evaluating the effectiveness of the system at Lake Elsinore which noted positive results. Mr. Sanchez requested that the Board receive a copy of the final report when available; he also commended staff for obtaining funding for the Pilot Study from Metropolitan Water District (MWD).

In response to Director Kuchinsky's question regarding special training for District staff, Mr. Stephan confirmed that Moleaer would be providing operation, maintenance and troubleshooting training for staff.

Ms. Dobalian confirmed the Pilot Study would operate from March 2027 through October 2027; she noted that the District would have the option to extend the lease, remove the system or purchase the system at the end of the eight-month Pilot Study.

Director Kuchinsky asked about the lifespan of the system; Mr. Stephan said it has a lifespan of 30 years (pumps, air compressor and nanobubble generator); he noted the parts can be rebuilt or replaced, if necessary.

In response to insurance-related questions from Director Kuchinsky, Ms. Dobalian stated that the Association of California Water Agencies Joint Powers Insurance Authority (ACWA JPIA) has been provided with the information relevant to Moleaer's contractual insurance requirements, and the District has received an estimate for the cost of the additional coverage.

Director Nuñez inquired about Moleaer's success rate; Mr. Stephan stated that Moleaer has installed 700 systems in natural water bodies with a demonstrated success rate of 99 percent. Ms. Dobalian added that oxygen has been used in other lakes, and it has been proven to improve water quality; however, it has not been used to the same extent to control HABs. She explained that the Pilot Study is appropriate to determine the system's effectiveness before deciding to purchase the system.

Director Kuchinsky inquired about the District's partners and their involvement; Ms. Dobalian said the District has been updating its partners about the Pilot Study and has been involving them in meetings. Ms. Dobalian introduced Don Lincoln, representative for the City of Escondido (City), who confirmed that City staff have been involved in discussions regarding the Pilot Study. He added that costs related to HABs mitigation and management are being shared equally by the District and the City.

Director MacKenzie inquired about the status of the MWD funding award; Ms. Dobalian provided an update.

DRAFT MINUTES

Not part of the District's permanent record until approved by the Board of Directors.

26-04-34 *Upon motion by Director Sanchez, seconded by Director MacKenzie and unanimously carried (5 ayes: Nuñez, Kuchinsky, Sanchez, MacKenzie, and Miller), the Board of Directors authorized the General Manager to execute a lease agreement for oxygen nanobubble treatment equipment and maintenance in an amount of \$1,211,040 and a professional services agreement for onsite commissioning support, project management and data analysis in an amount of \$95,000 for a total not-to-exceed amount of \$1,306,040 with Moleaer, Inc. for the Lake Henshaw Oxygenation Pilot Study; and found that the Lake Henshaw Oxygenation Pilot Study is categorically exempt from the California Environmental Quality Act (CEQA) under the State CEQA Guidelines.*

8. REVENUE AGREEMENT

See staff report attached hereto.

Engineering Service Manager Christina Olson provided an overview of the County of San Diego's South Santa Fe Avenue Realignment Project (Project) which impacts the District's existing 8-inch waterline that runs through the Project. She explained that it would not be feasible for the District to relocate the waterline in advance of construction or to construct the improvements concurrently with the Project due to the extent of the realignment and elevation changes. Ms. Olson stated that the County of San Diego has agreed to incorporate the District's waterline relocation into their Project and that all costs associated with relocating the District's infrastructure will be borne by the District; the revenue agreement (reimbursement agreement) covers waterline relocation design costs only. She stated construction is anticipated to begin in spring 2027 and continue for several years; the waterline relocation is estimated to cost about \$1.2 million, which will be phased over time and incorporated into the District's mainline replacement budget. Ms. Olson said that a separate construction agreement will be brought to the Board for approval at a future meeting.

26-04-35 *Upon motion by Director MacKenzie, seconded by Director Kuchinsky and unanimously carried (5 ayes: Nuñez, Kuchinsky, Sanchez, MacKenzie, and Miller), the Board of Directors authorized the General Manager to enter into a Revenue Agreement with the County of San Diego for the design of the South Santa Fe Avenue Realignment Project (LN 2023-025; DIV NO 5).*

9. SCHOLARSHIP CONTEST

See staff report attached hereto.

Management Analyst Brent Reyes stated that each year the District invites high school seniors who live within its service area to compete in a scholarship contest. He reported that the Public Affairs Committee (Committee) reviewed five applications from eligible students and recommended that each applicant receive a scholarship award with the top-rated applicant receiving a \$3,000 scholarship, the second rated applicant receiving a \$2,500 scholarship and the remaining three applicants receiving \$1,000 scholarships. Mr. Reyes confirmed that a press release would be issued when the students are awarded their scholarships.

President Miller provided an overview of MWD's biennial budget for FYs 2027 and 2028.

STAFF REPORT

Agenda Item: 10

Board Meeting Date: May 13, 2026
Prepared By: Frank Wolinski
Approved By: Brett Hodgkiss

SUBJECT: ANNUAL MATERIAL TRANSPORT SERVICES

RECOMMENDATIONS: Authorize the General Manager to:

- 1) Amend the existing agreement with Leon Perrault Trucking to transport and provide assorted material for District projects to increase the not to exceed amount by \$35,000 to \$335,000; and
- 2) Renew the agreement with proposed new pricing for Fiscal Year 2027 in an amount not to exceed \$335,000.

PRIOR BOARD ACTION: At its May 15, 2024 meeting, the Board authorized the General Manager to enter into an agreement with Leon Perrault Trucking to transport and provide assorted materials for District jobs for Fiscal Year (FY) 2025. At its April 23, 2025 meeting, the Board authorized the General Manager to exercise the District's first option to extend the agreement for a one-year period covering FY 2026 in an amount not to exceed \$300,000.

FISCAL IMPACT: The proposed amendment will increase the maximum agreement amount by \$35,000 from \$300,000 to \$335,000 for FY 2026. The proposed agreement amount for FY 2027 is an amount not to exceed \$335,000. Actual costs for this agreement in FYs 2024 and 2025 were \$205,048 and \$204,784, respectively; thus far, \$240,458 has been expended in the first nine months of FY 2026.

SUMMARY: In FY 2026, Leon Perrault Trucking exclusively transported materials to and from District job sites and the District yard. Due to increased mainline production by District crews, 80 percent of the existing contract (or \$240,458) has been utilized in the first nine months of FY 2026. Amending the agreement to increase the not-to-exceed amount (\$300,000) by \$35,000 is anticipated to capture material and hauling services for the remainder of the fiscal year.

Leon Perrault Trucking has submitted proposed price increases for the optional one-year renewal period (FY 2027). The proposed price increase is for Class II and Class III base material from \$12 to \$15 per ton. Leon Perrault Trucking's price increases align with current material pricing at Moody's El Corazon Reclamation (Moody's) facility in Oceanside.

DETAILED REPORT: In April 2024, the District advertised and solicited bids from material transport companies for importing fill material and exporting spoils from different job sites within the District's service area. In addition to transport services, companies were also asked to submit pricing for various materials used on District projects. Based on the results of the bidding process, the District entered into an as-needed agreement with Leon Perrault Trucking for FY 2025.

At its April 23, 2025 meeting, the Board authorized the General Manager to exercise the District's first option to renew the agreement for a one-year period covering FY 2026 in an amount not to exceed \$300,000. After the first three quarters of FY 2026, over \$240,000 has been spent on materials and hauling services leaving approximately \$60,000 remaining in the agreement. Staff estimates that approximately \$95,000 is needed to capture material and hauling services for the remainder of FY 2026. Additional funds are needed due to increased production of the District's mainline replacement program. District crews have installed approximately 2.6 miles of mainline in the first 10 months of FY 2026; historically the District has averaged two miles per year.

As permitted under the terms of the agreement, Leon Perrault Trucking submitted price increases for Class II and Class III base material. The requested price increase would raise the price of Class II and Class III base from \$12 to \$15 per ton, adding approximately \$30,000 to the agreement for FY 2027. Staff believes the price increase is justified based on material prices effective January 1, 2026, from Moody's, where most of the District's materials are purchased.

Staff is requesting the Board amend the existing agreement with Leon Perrault Trucking for FY 2026 in an amount not to exceed \$335,000. Provisions in the original agreement allow for it to be renewed for two additional one-year periods; one of the optional renewal periods has been exercised, and staff is recommending that the Board authorize the second (and final) renewal period for FY 2027 with proposed price increases in an amount not to exceed \$335,000. Proposed FY 2027 pricing is provided in the table below.

| Company | Transport Prices | | | Material Prices (per ton) | | | |
|------------------------|------------------|----------|------------|---------------------------|---------|---------|---------|
| | Per Load | Per Hour | Hour Min. | Class 2 | Class 3 | Sand | Rock |
| Leon Perrault Trucking | \$225.00 | \$150.00 | * 2/3 hour | \$15.00 | \$15.00 | \$20.00 | \$20.00 |

* 2 hour min. for Cold Mix / 3 hour for Sand & Rock

STAFF REPORT

Board Meeting Date: May 13, 2026
Prepared By: Brett Hodgkiss

SUBJECT: AGREEMENT WITH BURKE, WILLIAMS & SORENSEN, LLP FOR LEGAL SERVICES AS GENERAL COUNSEL

RECOMMENDATION: Authorize the General Manager to execute an Agreement for Legal Services with Burke, Williams & Sorensen, LLP to provide legal services as General Counsel for the District.

PRIOR BOARD ACTION: At its January 5, 2022 meeting, the Board selected Burke, Williams & Sorensen, LLP (Burke) to provide legal services as General Counsel for the District. The Board renewed the Agreement with Burke to provide legal services for successive one-year periods at its May 1, 2024 and at its June 4, 2025 meetings, respectively.

FISCAL IMPACT: The proposed fees are estimated to increase annual legal fees from Burke by 10 percent from \$72,933 to \$80,587, or \$7,654 per year after removing unusual items in the current year. Pass through development services are paid by the developer and are fiscally neutral.

SUMMARY: The Board selected Burke to provide legal services as General Counsel for the District on at its January 5, 2022 meeting; Elizabeth Mitchell is the principal attorney serving as General Counsel. The District's Agreement with Burke expires on June 30, 2026. The Board has the option to retain the services of Burke by entering into a new agreement or seek proposals from firms to provide legal services as General Counsel via the request for proposal process.

DETAILED REPORT: Burke, and more specifically Ms. Mitchell, has ably provided legal services to the District as General Counsel since January 2022 and has provided value added legal services, including assistance with developer applications and review of water rate study and related processes (e.g. exhaustion of administrative remedies for proposed water rates, charges and fees, public hearing to consider written objections to proposed water rates, charges and fees, etc.). Gena Burns with Burke has capably served as back-up General Counsel and provided timely legal assistance to staff on employment and labor relation matters on an as-needed basis. Mses. Mitchell and Burns have also provided state mandated ethics and sexual harassment prevention trainings for the Board. For these reasons, staff recommends that the District enter into a new Agreement with Burke to provide legal services as General Counsel.

Burke has proposed legal fees for the first year of the initial term (July 1, 2026 through June 30, 2029) of a new Agreement; the legal fees are proposed to adjust each year thereafter as described; the District has the option to renew the Agreement for two additional one-year term periods. The District reserves the right to terminate this Agreement at any time, with or without cause, upon 10 days written notice to Burke. The Scope of Work (Exhibit A) outlines the duties and responsibilities of General Counsel and identifies the Principal Attorney and Alternate Attorneys and legal fees are contained in the Fee Schedule (Exhibit B).

2.1 Term of Agreement. Unless terminated earlier as set forth in this Agreement, the Services shall commence on July 1, 2026 ("Commencement Date") and the term of this Agreement shall continue through its expiration on June 30, 2029.

2.1.1 The time provided to ATTORNEY to complete the Services required by this Agreement shall not affect DISTRICT's right to terminate this Agreement, as provided for in Section 6.

2.1.2 DISTRICT shall have the option to renew this Agreement for a maximum of two additional one-year term periods under the terms and conditions in effect at the end of the initial term or any extended term (each, an "Option Period"). To exercise the option, DISTRICT shall give notice to ATTORNEY not more than 90 days nor fewer than 60 days prior to the end of the initial term or first Option Period. The price(s) for the Services during the initial term and the Option Period may be adjusted, subject to District Board of Director approval, as described in Exhibit "B", unless otherwise negotiated by the parties to this Agreement.

2.2 Time for Performance; Force Majeure. ATTORNEY shall perform the Services in a prompt and timely manner in accordance with the activity schedule shown in Exhibit "C." The time period specified in the activity schedule or this Agreement for performance of Services shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of

DISTRICT or ATTORNEY, including but not restricted to acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation and/or acts of any governmental agency, including DISTRICT, if the delaying party shall within 10 days of the commencement of such delay notify the other party in writing of the causes of the delay.

2.2.1 If ATTORNEY is the delaying party, DISTRICT shall ascertain the facts and the extent of delay, and extend the time for performing the Services for the period of the enforced delay when and if in the judgment of DISTRICT such delay is justified. DISTRICT's determination shall be final and conclusive upon the parties to this Agreement.

2.2.2 In no event shall ATTORNEY be entitled to recover damages against DISTRICT for any delay in the performance of this Agreement, however caused. ATTORNEY's sole remedy shall be extension of this Agreement pursuant to this Paragraph 2.2.

SECTION THREE: COMPENSATION AND PAYMENT

3.1 Compensation. ATTORNEY shall be compensated in accordance with the terms of the Fee Schedule attached hereto as Exhibit "B." Included in the Fee Schedule are all ordinary and overhead expenses incurred by ATTORNEY and its agents and employees, including meetings with DISTRICT representatives, and incidental costs incurred in performing the Services under this Agreement. Unless otherwise specified in the Fee Schedule, DISTRICT shall compensate ATTORNEY on a time-and-materials basis at the rates listed in Exhibit "B."

3.2 Payment. ATTORNEY shall submit itemized monthly statements for Services rendered under this Agreement. Each monthly statement shall reference this Agreement, the Work Order number (if applicable), the date and description of Services performed, and the amount invoiced. DISTRICT shall pay the statements within 30 days of receipt. Payments shall be subject to review for compliance by DISTRICT with the requirements of this agreement, and shall be subject to a final audit upon completion of all Services. No other compensation will be paid except for work in accordance with Paragraph 1.2 above.

3.2.1 Total Payment. DISTRICT shall not, absent prior written approval, pay any additional sum for any expense or cost incurred by ATTORNEY in rendering the Services pursuant to this Agreement. DISTRICT shall make no payment for any extra, further, or additional service pursuant to this Agreement. In no event shall ATTORNEY submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entirety of the Services performed pursuant to this Agreement, unless this Agreement is modified in writing prior to the submission of such an invoice.

3.2.2 Hourly Rates. Rates for the Services performed by ATTORNEY on an hourly basis shall not exceed the amounts shown on the fee schedule included with Exhibit "B".

3.2.3 Reimbursable Expenses. Unless otherwise set forth in Exhibit "B", reimbursable expenses of ATTORNEY are included within, and count against, any maximum amount specified in Exhibit B of this Agreement.

3.2.4 Payment of Taxes. ATTORNEY is solely responsible for the payment of employment taxes incurred under this Agreement, and for the payment of any applicable federal, state or local taxes arising as a result of the performance of this Agreement.

3.2.5 Payment upon Termination. In the event that DISTRICT OR ATTORNEY terminates this Agreement pursuant to Section 6, DISTRICT shall compensate ATTORNEY for all outstanding costs and reimbursable expenses incurred for Services satisfactorily completed and for reimbursable expenses as of the date of written notice of termination. ATTORNEY shall maintain adequate logs and timesheets in order to verify costs and reimbursable expenses incurred to that date.

3.3 Retention of Funds. ATTORNEY hereby authorizes DISTRICT to deduct from any amount payable to ATTORNEY (whether arising out of this Agreement or otherwise) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate DISTRICT for any losses, costs, liabilities, or damages suffered by DISTRICT in connection with this Agreement or the activities of ATTORNEY hereunder, and all amounts for which DISTRICT may be liable to third parties by reason of ATTORNEY's negligent acts, errors, or omissions, or willful misconduct, in performing or failing to perform ATTORNEY's obligations under this Agreement. DISTRICT in its sole and absolute discretion may withhold from any payment due ATTORNEY, without liability for interest, an amount sufficient to cover such claim or any resulting lien. The failure of DISTRICT to exercise such right to deduct or withhold shall not act as a waiver of ATTORNEY's obligation to pay DISTRICT any sums ATTORNEY owes DISTRICT.

SECTION FOUR: INSURANCE AND INDEMNITY

4.1 Insurance. ATTORNEY shall carry all insurance required by Federal, State, County and local laws. ATTORNEY shall procure and maintain, during the life of the AGREEMENT, adequate worker's compensation, public liability, professional liability (where applicable) and property damage insurance. The specific requirements for insurance as set forth in this article shall be considered minimum requirements. ATTORNEY shall procure and maintain, during the life of this AGREEMENT, such commercial general liability and automobile liability insurance necessary to protect ATTORNEY and DISTRICT from all claims for bodily injury, including accidental death and property damage claims arising from operations under this AGREEMENT. DISTRICT shall be named as additional primary insured on ATTORNEY's policy without offset against ATTORNEY's existing insurance and the certificate of insurance shall include reference to such provisions.

4.1.1 Minimum Scope of Insurance. Coverage shall be at least as broad as:

(a) Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001).

[(b) Insurance Services Office form number CA 0001 (Ed. 1/87) covering Automobile Liability, code 1 (any auto).]

(c) Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

4.1.2 Minimum Limits of Insurance. ATTORNEY shall maintain limits no less than:

(a) General Liability: \$2,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general and products-completed operations aggregate limit is used, either the general and products-completed operations aggregate limit shall apply separately to this project/location or the general and products-completed operations aggregate limit shall be twice the required occurrence limit.

(b) Automobile Liability: \$1,000,000 per accident for bodily injury, death, and property damage.

(c) Professional Liability: \$1,000,000 per claim for negligent acts, errors or omissions of a professional nature.

(d) Workers' Compensation: California Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided as required by law, with limits of not less than \$1,000,000.00 per accident or bodily injury, and \$1,000,000.00 per disease per employee. In the alternative, ATTORNEY may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the California Labor Code shall be solely in the discretion of DISTRICT.

4.1.3 Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by DISTRICT. At the option of DISTRICT, either:

(a) The insurer shall reduce or eliminate such deductibles or self-insured retentions as respects DISTRICT, its officers, officials, employees and authorized volunteers; or

(b) ATTORNEY shall provide a financial guarantee satisfactory to DISTRICT guaranteeing payment of losses and related investigations, claim administration and defense expenses.

4.1.4 Other Insurance Provisions. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

(a) DISTRICT, its directors, officers, employees, and authorized volunteers are to be covered as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of ATTORNEY; and with respect to liability arising out of work or operations performed by or on behalf of ATTORNEY including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to ATTORNEY's insurance using ISO endorsement CG2010, CG2033, or equivalent, or as a separate owner's policy.

(b) For any claims related to this Project, ATTORNEY's insurance coverage shall be primary insurance as respects DISTRICT, its directors, officers, employees, and authorized volunteers. Any insurance or self-insurance maintained by DISTRICT, its directors, officers, employees, or authorized volunteers shall be excess of ATTORNEY's insurance and shall not contribute within.

(c) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, except after thirty (30) days' prior written notice by mail, has been given to DISTRICT, except for non-payment of premium for which ten (10) days prior notice will be given. For purposes of this notice requirement, any adverse material change in the policy prior to its expiration shall be considered a cancellation. ATTORNEY shall, upon demand of DISTRICT, deliver to DISTRICT all such policy or policies of insurance and the receipts for payment of premiums thereon.

4.1.5 Acceptability of Insurers. To be acceptable, insurers must have an A.M. Best rating of no less than A minus: VII, or equivalent, unless otherwise approved by DISTRICT General Manager.

4.1.6 Verification of Coverage. ATTORNEY shall furnish DISTRICT with original certificates and amendatory endorsements effecting coverage required by this clause. The endorsements should be on the standard ACORD insurance form or on another form approved by DISTRICT, provided those endorsements or policies conform to the requirements. All certificates and endorsements are to be received and approved by DISTRICT before work commences. DISTRICT reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time.

4.2 Indemnity. The parties mutually acknowledge that DISTRICT has retained ATTORNEY to perform the Services set forth in this Agreement based upon the special skills, expertise and experience of ATTORNEY. Accordingly, in performing the Services under this Agreement, ATTORNEY shall use the skill and care that a highly specialized professional, with expertise in the field, would use under similar circumstances. Further, the parties mutually agree that, to the extent that ATTORNEY retains sub-attorneys or subcontractors to perform any portion of any of the tasks or Services under this Agreement, ATTORNEY has a duty to DISTRICT to ensure that the tasks and Services performed by such sub-attorneys or subcontractors meet the same professional level, skill and expertise expected of ATTORNEY.

4.2.1 ATTORNEY shall indemnify, defend (with legal counsel acceptable to DISTRICT) and hold harmless DISTRICT and DISTRICT personnel from and against any and all actions, suits, claims, demands, judgments, attorney's fees, costs, damages to persons or property, losses, penalties, obligations, expenses or liabilities ("Claims") that may be asserted or claimed by any person or entity arising out of ATTORNEY's performance of any tasks or Services for or on behalf of DISTRICT, whether or not there is concurrent negligence on the part of DISTRICT and/or any DISTRICT personnel, but excluding any Claims arising from the active negligence or willful misconduct of DISTRICT or any DISTRICT personnel where the active negligence or willful misconduct is determined to be the actual and proximate cause of the alleged injury.

SECTION FIVE: LEGAL RELATIONS AND RESPONSIBILITIES

5.1 ATTORNEY shall keep itself fully informed of all existing and future State and Federal laws and all county, municipal and DISTRICT ordinances and regulations which in any manner affect those employed by it or in any way affect the performance of the Services pursuant to this Agreement. ATTORNEY shall at all times observe and comply with all such laws, ordinances, and regulations and shall be responsible for the compliance of all work performed by or on behalf of ATTORNEY. ATTORNEY shall cause all completed deliverables required under this Agreement to conform to all applicable Federal, State and local legal requirements. When applicable, ATTORNEY shall not pay less than the prevailing wage, which rate is determined by the Director of Industrial Relations of the State of California.

5.1.1 Requirement to Employ Persons Legally Authorized to Work. ATTORNEY shall not hire or employ any person to perform work within DISTRICT or allow any person to perform the Services required under this Agreement unless such person is properly documented and legally entitled to be employed within the United States. ATTORNEY acknowledges and agrees that it shall be independently responsible for reviewing the applicable laws and regulations and effectuating compliance with such laws. ATTORNEY shall require the same of all of its sub-attorneys and subcontractors.

5.2 Licenses, Permits, Fees and Assessments. ATTORNEY shall obtain at its sole cost and expense all licenses, permits, and approvals that may be required by law for the performance of the Services required by this Agreement. ATTORNEY shall have the sole obligation to pay any fees, assessments, and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for ATTORNEY's performance of any work required by this Agreement, and shall indemnify, defend, and hold harmless DISTRICT against any such fees, assessments, taxes, penalties, or interest levied, assessed, or imposed against DISTRICT thereunder.

5.3 ATTORNEY as Independent Contractor. ATTORNEY shall perform the Services and all work required herein as an independent ATTORNEY of DISTRICT and shall remain at all times as to DISTRICT a wholly independent contractor. DISTRICT shall not in any way or for any purpose become or be deemed to be a partner of ATTORNEY in its business or otherwise, or a joint venture, or a member of any joint enterprise with ATTORNEY. ATTORNEY shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of DISTRICT. ATTORNEY shall be under the control of DISTRICT as to the result to be accomplished but not the means; provided, however, that ATTORNEY shall consult with DISTRICT as provided in the Scope of Work. Neither ATTORNEY nor any of ATTORNEY's employees shall, at any time, or in any way, be entitled to any sick leave, vacation, retirement, or other fringe benefits from DISTRICT; and neither ATTORNEY nor any of its employees shall be paid by DISTRICT time and one-half for working in excess of forty (40) hours in any one week. DISTRICT is under no obligation to withhold State and Federal tax deductions from ATTORNEY's compensation. Neither ATTORNEY nor any of ATTORNEY's employees shall be included in the competitive service, have any property right to any position, or any of the rights an employee may have in the event of termination of this Agreement.

5.4 Ownership of Data, Reports and Documents. Any work performed by or work product prepared or generated by ATTORNEY under this Agreement shall be the property of DISTRICT. ATTORNEY shall deliver to DISTRICT's Project Manager, at the end of the Project, notes and surveys made, all reports of tests made, studies, reports, plans, a copy of electronic and digital files, and other materials and documents which shall be the property of DISTRICT. ATTORNEY is not responsible to third parties for DISTRICT's use of data, reports and documents on other projects. DISTRICT may use or reuse the materials prepared by ATTORNEY in any manner desired without additional compensation to ATTORNEY.

5.5 Intellectual Property and Proprietary Information.

5.5.1 Proprietary Information. All proprietary information developed specifically for DISTRICT by ATTORNEY in connection with, or resulting from, this Agreement, including but not limited to inventions, discoveries, improvements, copyrights, patents, maps, reports, textual material, or software programs, but not including ATTORNEY's underlying materials, software, or know-how, shall be the sole and exclusive property of DISTRICT, and are confidential and shall not be made available to any person or entity without the prior written approval of DISTRICT. ATTORNEY agrees that the compensation to be paid pursuant to this Agreement includes adequate and sufficient compensation for any proprietary information developed in connection with or resulting from the performance of ATTORNEY's Services under this Agreement. ATTORNEY further understands and agrees that full disclosure of all proprietary information developed in connection with, or resulting from, the performance of Services by ATTORNEY under this Agreement shall be made to DISTRICT, and that ATTORNEY shall do all things necessary and proper to perfect and maintain ownership of such proprietary information by DISTRICT.

5.5.2 Reproduction Rights. Any and all patents and copyrights that arise from the Services or the creation of work in carrying out this Agreement shall be vested in DISTRICT, and ATTORNEY hereby agrees to relinquish all claims to such copyrights in favor of DISTRICT.

5.5.3 Use of Patented Materials. ATTORNEY shall assume all costs arising from the use of patented or copyrighted materials, including but not limited to equipment, devices, processes, and software programs, used or incorporated in the Services performed by ATTORNEY under this Agreement. ATTORNEY shall indemnify, defend, and save DISTRICT harmless from any and all suits, actions or proceedings of every nature for or on account of the use of any patented or copyrighted materials.

5.6 Covenant Against Discrimination. ATTORNEYS and contractors doing business with DISTRICT are expected to be equal opportunity employers who achieve or attempt to achieve parity in the representation of women and minorities in their work force. In this regard:

5.6.1 ATTORNEY covenants on behalf of itself and its employees, officers, agents, representatives and subcontractors that there shall be no discrimination against any person on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the performance of this Agreement.

5.6.2 ATTORNEY shall ensure equal employment opportunity for all persons, regardless of race, color, religion, sex, creed, national origin, ancestry, age, medical condition, sexual orientation, physical or mental disability, Vietnam-era veteran or special disabled veteran status, marital status or citizenship, within the limits imposed by law. These principles are to be applied by ATTORNEY in all employment practices including recruiting, hiring, transfers, promotions, training, compensation, benefits, layoffs, and terminations.

5.6.3 ATTORNEY shall comply with Title VII of the Civil Rights Act of 1964, as amended, the California Fair Employment Practices Act, the Americans and Disabilities Act of 1990 (42 U.S.C. §12101 et seq.), as the same may be amended from time to time, and any other applicable Federal and State laws and regulations hereinafter enacted.

5.7 Compliance with California Unemployment Insurance Code Section 1088.8. If ATTORNEY is a sole proprietor, then prior to signing the Agreement, ATTORNEY shall provide to DISTRICT a completed and signed Form W-9, Request for Taxpayer Identification Number and Certification. ATTORNEY understands that pursuant to California Unemployment Insurance Code section 1088.8, DISTRICT will report the information from Form W-9 to the State of California Employment Development Department, and that the information may be used for the purposes of establishing, modifying, or enforcing child support obligations, including collections, or reported to the Franchise Tax Board for tax enforcement purposes.

5.8 Conflicts of Interest Prohibited.

5.8.1 No officer, official, employee, agent, representative or volunteer of DISTRICT shall have any financial interest, direct or indirect, in this Agreement, or participate in any decision relating to this Agreement which affects his or her financial interest or the financial interest of any corporation, partnership, or association in which he or she is interested, in violation of any Federal, State or DISTRICT statute, ordinance, or regulation. ATTORNEY shall not employ any such person while this Agreement is in effect.

5.8.2 ATTORNEY shall file a Conflict of Interest Statement with the Secretary of the Board of Directors if that is required by DISTRICT's Conflict of Interest Code. ATTORNEY is

responsible for compliance with any applicable financial disclosure requirements. ATTORNEY shall not make or participate in making or in any way attempt to use ATTORNEY's position to influence a governmental decision in which ATTORNEY knows or has reason to know ATTORNEY has a financial interest other than the compensation promised by this agreement. ATTORNEY represents that ATTORNEY has diligently conducted a search and inventory of ATTORNEY's economic interests, as defined in the regulations promulgated by the Fair Political Practices Commission, and has determined that ATTORNEY does not, to the best of ATTORNEY's knowledge, have an economic interest which would conflict with ATTORNEY's duties under this agreement. ATTORNEY will not have such interest during the term of this agreement. ATTORNEY will immediately advise DISTRICT's Project Manager if ATTORNEY learns of an economic interest of ATTORNEY's during the term of this Agreement.

5.9 Covenant Against Contingent Fee. ATTORNEY covenants that neither it nor any of its officers, employees, agents or representatives employed or retained any company or person, other than a bona fide employee working for ATTORNEY, to solicit or secure this Agreement. ATTORNEY further covenants that neither it nor any of its officers, employees, agents or representatives has paid or agreed to pay any company or person, other than a bona fide employee of ATTORNEY, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon, or resulting from, the award or making of this Agreement. For breach or violation of this provision, DISTRICT shall have the right to annul this agreement without liability, or, at its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fees, gift, or contingent fee.

5.10 Unauthorized Use of DISTRICT's Name. Except as required by law or with the prior written consent of DISTRICT (which consent may be withheld in DISTRICT's sole and absolute discretion), ATTORNEY shall not use DISTRICT's name, seal or logo on marketing materials, nor shall ATTORNEY state, imply or in any way represent to any third party that DISTRICT has endorsed or approved ATTORNEY or any of its Services or products.

5.11 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended, or shall be construed, to confer upon or give any person or entity other than DISTRICT and ATTORNEY any rights or remedies under or by reason of this Agreement. There are no third party beneficiaries to this Agreement or the Services and work performed hereunder.

5.12 Facilities and Equipment. Except as otherwise provided, ATTORNEY shall, at its sole cost and expense, provide all facilities and equipment necessary to perform the services required by this Agreement. In no event shall DISTRICT be required to furnish any facility that may involve incurring any direct expense, including but not limited to computer, long-distance telephone or other communication charges, vehicles, and copying facilities.

SECTION SIX: TERMINATION AND DEFAULT

6.1 Termination By DISTRICT. DISTRICT reserves the right to terminate this Agreement at any time, with or without cause, upon 10 days written notice to ATTORNEY. Upon receipt of any notice of termination from DISTRICT, ATTORNEY shall immediately cease all work on the Services hereunder except such as may be specifically approved in writing by DISTRICT.

6.1.1 ATTORNEY shall be entitled to compensation for all work performed and Services rendered prior to receipt of DISTRICT's notice of termination and for any portion of the Services authorized in writing by DISTRICT thereafter. If termination occurs prior to completion of any portion of the Services for which a payment request has not been received, compensation for such performed but un-invoiced portion of the Services shall be based upon an amount mutually

agreed to by DISTRICT and ATTORNEY. If, at the time of termination further compensation is due ATTORNEY, ATTORNEY shall not be entitled to such compensation until all reports, documentation and other work product to be delivered to DISTRICT are delivered to DISTRICT.

6.1.2 If termination is due to the failure of ATTORNEY to fulfill its obligations under this Agreement, DISTRICT may take over the work and prosecute the same to completion by contract or otherwise, and ATTORNEY shall be liable to the extent that the total cost for completion of the Services required hereunder, including costs incurred by DISTRICT in retaining a replacement ATTORNEY and similar expenses, exceeds the Budget.

6.2 Right to Stop Work; Termination by ATTORNEY. ATTORNEY shall have the right to stop work only if DISTRICT fails to timely make a payment required under the terms of the Budget. ATTORNEY may terminate this Agreement only in the event of a substantial failure by DISTRICT to perform in accordance with the terms of this Agreement through no fault of ATTORNEY, and upon 30 days' prior written notice to DISTRICT. ATTORNEY shall immediately cease all Services hereunder as of the date ATTORNEY's notice of termination is sent to DISTRICT, except such work or portion of the Services as may be specifically approved in writing by DISTRICT. ATTORNEY shall be entitled to compensation for all Services rendered prior to the date notice of termination are sent to DISTRICT and for any work authorized in writing by DISTRICT thereafter. If ATTORNEY terminates this Agreement because of an error, omission, or a fault of ATTORNEY, or ATTORNEY's willful misconduct, the terms of Paragraph 6.1.2 relating to DISTRICT's right to take over and finish the work and ATTORNEY's liability therefore shall apply.

6.3 Waiver. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing.

6.4 Rights and Remedies are Cumulative. The rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

6.5 Attorneys' Fees. In any action between the parties hereto seeking enforcement of any of the terms or provisions of this Agreement or in connection with the performance of the work hereunder, the party prevailing in the final judgment in such action or proceeding, in addition to any other relief which may be granted, shall be entitled to have and recover from the other party its reasonable costs and expenses, including but not limited to reasonable attorney's fees, expert witness fees and courts costs. If either party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to its reasonable attorney's fees and costs from the other party to this Agreement.
