**COVID-19 MEETING PROCEDURES**  
**NOTICE FOR PARTICIPATION**

On September 16, 2021, Governor Newsom signed Assembly Bill 361 (2021-2022) ("AB 361"), which incorporated some aspects of the teleconferencing rules applied by Executive Order 08-21 to local agencies during the COVID-19 pandemic into California law. AB 361 allows local agencies to conduct virtual meetings without any public participation component during a state of emergency. As of the date of this notice, there exists a state of emergency in California caused by COVID-19; however, unless a subsequent agenda or public notice provides otherwise, the Vista Irrigation District intends to conduct its meetings in a hybrid fashion, allowing for individuals to participate in public meetings in-person, observing California Department of Public Health ("CDPH") COVID-19 related guidance, or if they prefer, via teleconferencing.

Members of the public may also participate through Vista Irrigation District's teleconferencing line; the telephone number and applicable pass code for such participation is as follows: Phone (877) 873-8018; Pass Code 474698#. Vista Irrigation District's teleconferencing line capacity is limited and not all parties who wish to participate through this method may be able to do so. Telephone participants are asked to place calls to this line at or before the scheduled start time of the meeting, so the District staff can organize order of speakers and assure the ability of all who wish to participate. Please also note telephone or data charges from your carrier may apply to your use of this option.

To maintain orderliness in proceedings, telephone participants will be asked to identify themselves, their address, and the item on the agenda they wish to address. Telephone participants are asked to limit background noise during telephonic participation (with muting features, if available) and to maintain proper decorum suitable to the conduct of public meetings at all times. Telephone participants may not speak until the appropriate time on the agenda and only when recognized by the Board President.

Members of the public may address the Vista Irrigation District Board of Directors directly and in real time during the public comment period regardless of whether they are participating in person or over the telephone.

Members of the public may also address the Board of Directors by email; however, such email communication must be received at or before the time of the commencement of the meeting. The email address to use for such communications is as follows: [BoardSecretary@vidwater.org](mailto:BoardSecretary@vidwater.org).

Please be advised that one or more members of the Vista Irrigation District Board of Directors or staff may participate in this meeting by teleconference consistent with AB 361.

In compliance with the Americans with Disabilities Act, if special assistance is needed to participate in the Board meeting telephonically, please contact the Board Secretary during regular business hours at (760) 597-3128. Notification received 48 hours before the meeting will assist Vista Irrigation District in making reasonable accommodations.
